Shooting Range Industries LLC

November 1, 2015

Edition 1, Volume 1

...Keep Your Officers Alive!

- Do your officers have the best training available?
- Ready Range® with MILO Simulation offers Live Fire Judgmental Training.
- This is an affordable solution to your training needs.

Ready Range®

A complete 2 Lane modular shooting range 100% ballistically contained with all lighting, range equipment, HVAC and HEPA filtration.

The Ready Range® is expandable in length and width in 2 lane increments.

The Ready Range® can be set in your parking lot or placed into an existing building. Connect hook up power and you are ready to train.

Example: Hermosa Police Dept. just placed a 2 lane - 70' Ready Range® w/ MILO across the street from their station, three blocks from the beach!

Take action Now!
Prepare your officers for the unexpected with live fire and simulation training that they require for decision making skills while in the field.

RANGE DESIGN RANGE EQUIPMENT MODULAR RANGES

SRI's Ready Range® offers...

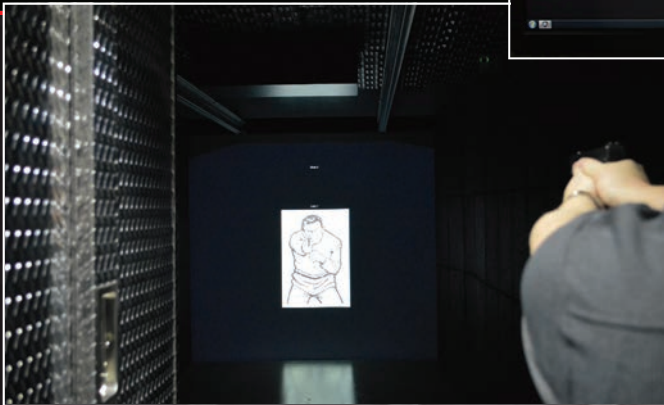

The MILO Simulation System that escalates your training to real life situations.

Greater frequency with on-site training with no travel time to and from the range.

The systems judgmental training places an officer under stress and forces a Shoot / No Shoot decision.

Engages officers to make verbal directives with action capture play back video to critique his/her performance. If shooting is required, freeze frame playback that shows shot by shot hits.

- **Save Your Officers Lives and Reduce Wrongful Shootings.**
- **Financing and Leasing Available. Call Today for your Ready Range® Quote.**
